

Dear Mr Haste,

I hope you are well.

I wanted to get in touch in my role as COO at Kisimul Group following your recent email to my colleague Yvette Gowler regarding our property on Rectory Lane, Glinton – Taigh Aisling.

I would firstly like to apologise for the delay in responding to you; we wanted to come back to you in the first instance to accept your invitation for a meeting with the Parish Council but also to provide some additional background information about Kisimul and Taigh Aisling. Please find this set out in the attached letter from Margaret Hill, Kisimul CEO. I hope these details will be useful for the Parish Council ahead of our meeting.

We would also like to thank you and the Parish Council for getting in touch to suggest a meeting. We want to be engaged members of the local community and, having already been in regular contact with our neighbours, we are keen to build a regular dialogue with the Parish Council. As noted in Margaret's letter, we would appreciate if this first meeting could be a private discussion just with members of the Parish Council given the sensitive nature of our work and the vulnerability of the young adults living at Taigh Aisling. I hope that approach is aligned with what the Parish Council had in mind, but do let me know if you would like to discuss this at all.

We look forward to meeting with you and your colleagues on the Parish Council in due course – perhaps you could suggest some potential meeting dates in the first instance?

In the meantime please do get in touch if you have any queries or would like any further information.

Best wishes,  
Donna
