

Tree maintenance

In accordance with the resolution of the previous meeting quotations were invited to for carrying out the tree work identified by John Wilcockson in conducting a tree safety report for the parish council.

Four contractors were invited to quote by 12th November, one of whom declined to tender.

Quotations received

Contractor A

Tree Work- Multiple Sites

To carry out all work as described in the revised tree report for Glington Parish Council.

All wood and brash to be removed from the site.

Currently we could carry out the work in January 2019.

| Description | Quantity | Unit Price | VAT | Amount GBP |
|-------------|----------|------------|-----|------------|
|-------------|----------|------------|-----|------------|

| | | | | |
|--------------------------------------|------|----------|-----|----------|
| All work to be carried out as above. | 1.00 | 1,200.00 | 20% | 1,200.00 |

|-----------------|--|--|--|-----------------|
| Subtotal | | | | 1,200.00 |
|-----------------|--|--|--|-----------------|

| | | | | |
|---------------|--|--|--|--------|
| TOTAL VAT 20% | | | | 240.00 |
|---------------|--|--|--|--------|

| | | | | |
|------------------|--|--|--|-----------------|
| TOTAL GBP | | | | 1,440.00 |
|------------------|--|--|--|-----------------|

Contractor B

The cost to undertake all works in the revised report you sent will be **£1900 plus VAT**

If you would like stump 212 ground as well this will cost an additional £250 plus VAT and the grindings will remain to backfill the hole for your ground team to prepare and re seed

I have not included the replacement cost of a new tree for tree 212

I have allowed for the disposal of all debris and removal of timber within our quotation.

With current commitments we would estimate to have all works **completed by the end of January** providing being told promptly to proceed on the works based on current commitments.

Contractor C
