Dear Sundas,

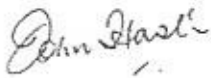

You will recall that the request for an extension of time for consultation on this application was refused. I am therefore unable to give you the observations of the parish council until the matter is considered at their next meeting to be held in public on the evening of 16th May. This will still be on the agenda and considered at the meeting on 16th, to enable Glinton residents to have the opportunity to comment in support OR opposition to the application.

The matter has been considered by those parish councillors on the Planning Working Group (PWG). Their observations are unofficial as they do not have delegated powers.

PWG members raised no objections but stressed that that they would support residents if they raised any legitimate concerns.

I would be grateful if you would convey the full content of this email to members of the planning committee which I understand to be scheduled for the same day as the parish council meeting.

regards

John Haste, CPFA
