Clerk

c. **18/00846/FUL – AMVC Helpston Road** - Installation of perimeter security fencing to school campus. The council had several objections; We do not consider that a valid case has been submitted for an installation of this scale and cost ie no evidence given of undue trespass on the AMVC campus other than students taking short cuts, no plan has been submitted showing the fence line along Helpston Road, we are concerned that any tree/bush screening along the property line at the rear of the The Hawthorns and other dwellings on Helpston Road will be lost if the fence is not set 4m back as proposed elsewhere and that it will have adverse impact on the street scene.

Clerk

d. **18/00985/CTR – 6 Welmore Road** – Fell Conifer Tree. **No objections**
