

AGENDA ITEM 18

Peterborough Rural crime and information update – 1st to 31st May 2016

Please find enclosed reported crime and incidents of note during the period 1st- 31st May 2016. I have changed the format slightly so crimes and any relevant incidents can be reported. I am also including the Crime reference so if any local residents have information they can ring 101 and quote the crime reference. This report is intended to inform Parish Councils and their communities of issues they should be aware of and will not include incidents such as domestic violence or personal assault for example.

My colleague Helen O'Driscoll has kindly said she will pick up this report and look to produce one at end of June. I will make sure she has your email contacts.

This month has seen the rural crime team working with Environment Agency working together checking fishing licences – to date 10 people have been reported for other offences and for not having a valid fishing licence – all in rural areas across Cambridgeshire.

Reports of poaching or hare coursing – incidents reported in following areas:

- 11th May - North Bank, Thorney – report of illegal fishing – passed to Environment Agency
- 28th May – Splash Lane, Castor – illegal fishing incident – names taken and passed to Environment Agency
- 29th May – Willow Drove, Newborough – report of silver vehicle and dogs – rural crime team dealing
