Subject: Re: Parish council meeting / Proposed development

Hi Carl

I will ask the Pc if they wish a presentation ,my guess is they would sooner wish to wait until the allocations are made public and can comment in the consultation period and would ask others involved to present if indeed there are any John Holdich

Evening John

Hope you are well sir

Following my email dated to you on 26-09-16 Glinton and Northborough FC would like the opportunity to explain to the Parish Council the wider community benefits of one of the proposed sites for development around Glinton,

Not 100% sure which date in December is your Parish council meeting, but if yourself or John Haste could kindly confirm if this is OK and how much time we would have then this would be warmly welcome and appreciated

all the best
Kind Regards
Carl Garner
