

## **Agenda item 8 - armistice day representation**

On behalf of the St. Benedict's PCC, I am writing to ask whether there might be any Village Council representation available this year; we ask, as this will be the first Sunday Remembrance Day Service in quite a while, but were keen to have some council reps and their guests at our 1030hrs service on 11NOV18...?

Looking forward to receiving your considered response, I remain

Yours in Christ,
